

Want to Change the World? Take a Stand. Show up. Be Equal to Circumstance.

December 1- 2nd 2018

Ashland, Oregon

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we..." – Charles Dickens, 1859

The world "out there" is going to be what it's going to be. Of course there may be a more life-friendly humanity in millennia to come, yet we are here now. And, we can't get "there" from "here"—unless and until each of us begins learning who and what we, our own self is. What we are capable of. What we are on the planet to do...

A beginning for us involves learning from the experience of others, learning to collaboratively cooperate with others, learning to make place for the Feminine contribution of girls and women.

It's not about out there.

Irrespective of what's up in our world, we are well served to stand tall in the innocence, dignity and beauty and profoundly powerful forces that we each are.

Are you ready? Then join us.
